Disclaimers

The information set forth in this White Paper may not be exhaustive and does not imply any elements of a contractual relationship. The content of this White Paper is not binding for 3D-Chain Limited (“3D-Chain Company” or “3D-Chain”) and its affiliates and 3D-Chain reserves the right to change, modify, add, or remove portions of this White Paper for any reason at any time before, during and after the sale of 3xD tokens by posting the amended White Paper on the website.

This White Paper does not constitute an investment, legal, tax, regulatory, financial, accounting or other advice, and this White Paper is not intended to provide the sole basis for any evaluation of a transaction on acquiring of the 3xD tokens. Prior to acquiring the 3xD tokens, a prospective purchaser should consult with his/her own legal, investment, tax, accounting, and other advisors to determine the potential benefits, burdens, and other consequences of such transaction.

Nothing in this White Paper shall be deemed to constitute a prospectus of any sort or a solicitation for investment, nor does it in any way pertain to an offering or a solicitation of an offer to buy any securities in any jurisdiction. This document is not composed in accordance with, and is not subject to, laws or regulations of any jurisdiction which prohibits or in any manner restricts transactions in respect of, or with use of, digital tokens.

The 3xD token is not a digital currency, security, commodity, or any other kind of financial instrument and has not been registered under the Securities Act of 1933, the securities laws of any state of the United States of America or the securities laws of any other country, including the securities laws of any jurisdiction in which a potential token holder is a resident.

The 3xD tokens are not being offered or distributed to, as well as cannot be resold or otherwise alienated by their holders to, citizens of, natural and legal persons, having their habitual residence, location or their seat of incorporation in the country or territory where transactions with digital tokens are prohibited or in any manner restricted by applicable laws or regulations. If such restricted person purchases the 3xD tokens, such restricted person has done so on an unlawful, unauthorized and fraudulent basis and in this regard, shall bear negative consequences.

3D-Chain neither offers or distributes the 3xD tokens nor carries on a business (activity) in any regulated activity in Singapore, in United States, or in other countries and territories where transactions in respect of, or with use of, digital tokens fall under the restrictive regulations or require from 3D-Chain to be registered or licensed with any applicable governmental authorities.

Each purchaser of the 3xD tokens is reminded that this White Paper has been presented to him/her on the basis that he/she is a person into whose attention the document may be lawfully presented in accordance with the laws of the purchaser’s jurisdiction. It is the responsibility of each potential purchaser of the 3xD tokens to determine if the purchaser can legally purchase the 3xD tokens in the purchaser’s jurisdiction and whether the purchaser can then resell the 3xD tokens to another purchaser in any given jurisdiction.

Certain statements, estimates and financial information contained in this White Paper constitute forward-looking statements or information. Such forward-looking statements or information involve known and unknown risks and uncertainties which may cause actual events or results to differ materially from the estimates or the results implied or expressed in such forward-looking statements or information.

The English language White Paper is the primary official source of information about the project. The information contained in English language White Paper may from time to time be translated into other languages. In the course of such translation some of the information contained in the English language White Paper may be lost, corrupted or misrepresented. The accuracy of such alternative communications cannot be guaranteed. In the event of any conflicts or inconsistencies between such translations and the official English language White Paper, the provisions of the English language original document shall prevail.
